

SERENADE

 Monessen

Introducing the new Wide View Serenade Direct Vent Fireplace System from Monessen! Styled to compliment any modern décor, this contemporary addition to the Monessen direct vent family offers an incredible wide viewing area – and yet its compact design allows for easy installation in just about any space. The Serenade's contemporary bronze glass beads and natural stone kit creates an ambience of modern calm and compliments a sleek interior design style. With a BTU range of 23,000 to 34,000 and standard Signature Command™ System remote control, the Serenade from Monessen is the perfect fit for today's contemporary lifestyle.

Serenade
