Stunning Looks, Outstanding Performance

Our Craftsman models set a new standard for wood-burning beauty, performance, and convenience. They're the cornerstone of our exciting new Renaissance Series, which offers a consistent look, sizing and construction across the entire line... plus beautiful new features homeowners will love!

Homeowner Highlights:

- **Eye-dazzling beauty**—Features the industry's finest, most realistic textured refractory brick liner. Hidden pockets tuck the screens out of sight to maximize the viewing area and beauty of the fireplace.
- **Safe, convenient operation**—Features EZ-Access damper handle and Posi-Lock outside air controls.
- **"Gas log ready" feature**—Allows homeowners to add FMI gas log sets, with all gas connections and controls hidden out of sight. You see only the beautiful flame, premium gas logs and ember bed—even if you include a remote control option.
- **Attractive accessories**—There's an array of eye-catching extras, including brass or platinum louvers and trim, face panel kits, and much more.

Builder Benefits:

- **Secure, straight installation**—We've added full-length nailing flanges, drywall stops.
- **Flexibility In the field**—You can quickly convert from louvered to clean face at any time.

C36 smooth face with textured refractory brick-lined interior.

C42LH offers herringbone refractory brick-lined interior and stamped steel louvers.
